

[7:00 PM] <Jaymach Ral'Tir> we will be 🤔
[7:00 PM] <WhiteBoy> hehe
[7:00 PM] <Marck> Yes Mr. Barbry [/unenthusiastic]
[7:00 PM] <WhiteBoy> lol
[7:00 PM] <riffsyphon1024> *coughsurecough*
[7:01 PM] <WhiteBoy> just saying for posterity's sake ya know?
[7:01 PM] <WhiteBoy> since I'll probably post it to the site or something
[7:01 PM] <riffsyphon1024> yea
[7:01 PM] <riffsyphon1024> i wont be as riled up without sparq here though
[7:01 PM] <Imp> WookieeMeeting Jan. 1, 2006
[7:02 PM] <Marck> Jan. 8
[7:02 PM] <StarNeptune> lol
[7:02 PM] <Marck> er, 7
[7:02 PM] <Jaymach Ral'Tir> lol
[7:02 PM] <WhiteBoy> he IM'd me earlier, so thought he might be able to make it after all
[7:02 PM] <riffsyphon1024> yea youre just screwed it up
[7:02 PM] <Imp> bla blah

[7:02 PM] <Jaymach Ral'Tir> well done on the meeting so far 🤔
[7:02 PM] <riffsyphon1024> you just* ugh
[7:02 PM] <Imp> we havent started yet
[7:02 PM] <riffsyphon1024> restart

[7:02 PM] <Jaymach Ral'Tir> 2 minutes late...for shame 🤔
[7:02 PM] <WhiteBoy> I missed him, tho...it was while I was watching that movie
[7:02 PM] <Marck> I now call the January 8th, 2006 edition of the WookieeMeeting into session
[7:02 PM] <riffsyphon1024> this will never work
[7:03 PM] <WhiteBoy> lol...

[7:03 PM] <Jaymach Ral'Tir> great start 😊
[7:03 PM] <riffsyphon1024> 😊
[7:03 PM] <WhiteBoy> thanks
[7:03 PM] <Marck> Alright let's start simply
[7:03 PM] <WhiteBoy> anyway..
[7:03 PM] <riffsyphon1024> yes
[7:03 PM] <StarNeptune> It's on
[7:03 PM] <Marck> What do you all think is the biggest issue facing Wookieepedia?
[7:03 PM] <riffsyphon1024> vandalism
[7:03 PM] <StarNeptune> Lack of policies
[7:03 PM] <Imp> Quality.
[7:03 PM] <riffsyphon1024> that too
[7:03 PM] <WhiteBoy> just wanted us all to get together to chat about the ***direction***
[7:04 PM] <WhiteBoy> ...of Wookieepedia
[7:04 PM] <riffsyphon1024> yea
[7:04 PM] <riffsyphon1024> lets go to policies first
[7:04 PM] <riffsyphon1024> agreed?
[7:04 PM] <StarNeptune> sure
[7:04 PM] <WhiteBoy> like we're all kinda doing things individually and stuff

[7:04 PM] <Marck> 👍
[7:04 PM] mcewok has entered the room.
[7:04 PM] <riffsyphon1024> wb
[7:04 PM] <WhiteBoy> was kinda wanting an overall direction, ya know?
[7:04 PM] mcewok is now known as Wookieeperial.
[7:04 PM] Wookieeperial has entered the room.
[7:05 PM] <Marck> Sowwy
[7:05 PM] <WhiteBoy> no biggy

[7:05 PM] <Jaymach Ral'Tir> well...policies may take a while...vandalism probably won't take all too long....and quality can be covered in policies

[7:05 PM] <Imp> Wookieepedia is headed where Wikipedia is today, really

[7:05 PM] <Wookieeperial> Lack of consensus!!

[7:05 PM] <riffsyphon1024> and sparq would agree with that

[7:05 PM] <WhiteBoy> yeah

[7:05 PM] <Imp> Tons of articles, with a few really good ones

[7:05 PM] <riffsyphon1024> voting is inherently evil

[7:06 PM] <Wookieeperial> Imp: what, a place where the SW articles are vandalism, copyvios and fanon?

[7:06 PM] <WhiteBoy> not necessarily

[7:06 PM] <StarNeptune> I kinda like his objection system

[7:06 PM] <riffsyphon1024> thats according to him

[7:06 PM] <StarNeptune> It would reduce crap like Aayla Secura being nominated

[7:06 PM] <Imp> No, a project that has grown too fast to assure quality in every single article

[7:06 PM] <WhiteBoy> Star: gotta link for a proposed objection system?

[7:06 PM] <riffsyphon1024> i still think single votes, with some explanation, work

[7:07 PM] <WhiteBoy> Imp: I agree

[7:07 PM] <StarNeptune> It's on the ground rules page

[7:07 PM] <StarNeptune>
http://starwars.wikicitities.com/wiki/Wookieepedia:Consensus_track/Featured_article_ground_rules

[7:07 PM] <riffsyphon1024> ***looking***

[7:08 PM] <Wookieeperial> I'm not sure democracy is the right idea here...

[7:08 PM] <Jaymach Ral'Tir> I dunno

[7:08 PM] <Jaymach Ral'Tir> a democracy among the ruling body maybe

[7:08 PM] <Jaymach Ral'Tir> ie you lot 🤔

[7:08 PM] <riffsyphon1024> hmm, dictatorships always worked 😏

[7:08 PM] <StarNeptune> lol

[7:08 PM] <Imp> More of an oligarchy, really

[7:08 PM] <Wookieeperial> Makes sense. A narrow oligarchy on the Italian model...

[7:08 PM] <MarcK> We are the Council of Blood

[7:08 PM] <MarcK> 🐉

[7:08 PM] <Wookieeperial> Great minds think alike!!

[7:08 PM] <riffsyphon1024> heh

[7:09 PM] <Wookieeperial> So does that make me and Jaymach into Nom Anor and Kir Kanos?

[7:09 PM] <riffsyphon1024> now define oligarchy please for those who dont know

[7:09 PM] <MarcK> <http://en.wiktionary.org/wiki/oligarchy>

[7:09 PM] <Jaymach Ral'Tir> hey hey...*I'm* not planning on killing any of them...yet

[7:09 PM] <riffsyphon1024> yea i forgot about that

[7:10 PM] <Jaymach Ral'Tir> basically it's what I said before 🤔

[7:10 PM] <riffsyphon1024> power in the hands of a few

[7:10 PM] <Jaymach Ral'Tir> indeed

[7:10 PM] <MarcK> So anyway

[7:10 PM] <riffsyphon1024> Council of Elders

[7:10 PM] <MarcK> I'm personally supporting the objection system

[7:10 PM] <Imp> Oh, same here.

[7:11 PM] <StarNeptune> Me three

[7:11 PM] <Imp> Can't we just implement it right away if we all agree?

[7:11 PM] <StarNeptune> I see no reason why not

[7:11 PM] <riffsyphon1024> still thinking/reading

[7:11 PM] <WhiteBoy> hehe... ***benevolent*** dictatorships work 😏

[7:11 PM] <Imp> Wiki-wide that is.

[7:11 PM] <StarNeptune> But we must also establish FA criteria, too

[7:11 PM] <WhiteBoy> well, let's not change the subject yet

[7:11 PM] <riffsyphon1024> the objection system just seems overly complicated

[7:11 PM] <Wookieeperial> Is this just for FAs?

[7:12 PM] <Imp> I had hoped it could be for the entire wiki

[7:12 PM] <Marck> I don't think it would be necessary for the improvement drive

[7:12 PM] <riffsyphon1024> we do need something like this, but could someone make it easier to understand

[7:13 PM] <Marck> Here's how it would work:

[7:13 PM] <WhiteBoy> I posted an idea on the talk page

[7:13 PM] <Marck> 1. Somebody nominates an article they feel is good enough

[7:13 PM] <riffsyphon1024> got that

[7:13 PM] <WhiteBoy>where simply you could have an oppose vote that would count as a negative

[7:13 PM] <Marck> 2. Other people object to the nomination with plausible things that could be done to improve it

[7:13 PM] <riffsyphon1024> would that cancel out the other vote?

[7:13 PM] <WhiteBoy> yes, it would cancel out one vote

[7:14 PM] <riffsyphon1024> one for each

[7:14 PM] <Wookieeperial> Seems horribly complicated.

[7:14 PM] <Marck> 3. If and when the article is brought up to the standards posed by the objectors, it would then be featured

[7:14 PM] <Marck> and added to the main page queue, as on Wikipedia

[7:14 PM] * Wookieeperial should remind everyone that I have no say... but I'm confused. How much would go through this process?

[7:15 PM] <riffsyphon1024> how would we know that it reached featured status?

[7:15 PM] <Wookieeperial> Just objected-to articles?

[7:15 PM] <Jaymach Ral'Tir> so basically....people can submit any article...no more voting yes....instead people can only vote no with reasons?

[7:15 PM] <WhiteBoy> Marck: that's a summary of the Objection system, right?

[7:15 PM] <Marck> Yes

[7:16 PM] <riffsyphon1024> also, a little off subject, would it be put through an improvement drive to get it to that FA status?

[7:16 PM] <WhiteBoy> ok...making sure I didn't miss something inthere 😊

[7:16 PM] <Jaymach Ral'Tir> hmm

[7:16 PM] <Jaymach Ral'Tir> only if it was major changes it needed

[7:16 PM] <riffsyphon1024> but minor it wouldnt

[7:16 PM] <Marck> The main advantage is that it would eliminate fanboy votes completely

[7:16 PM] <riffsyphon1024> gotcha

[7:16 PM] <riffsyphon1024> yea

[7:17 PM] <Marck> Also it would get rid of votes from people who don't really understand what being "featured" means

[7:17 PM] <Jaymach Ral'Tir> the only problem I see is if people say no and provide reasons that aren't possible to achieve

[7:17 PM] <WhiteBoy> that plus it pushes for the improvement of the article

[7:17 PM] <Marck> Though hopefully if we can get the criteria in place that'll be taken care of anyway

[7:17 PM] <riffsyphon1024> right

[7:17 PM] <Marck> Well obviously we'll just have to use common sense as to which objections are logical and which aren't

[7:18 PM] <Jaymach Ral'Tir> so admins would be allowed to remove objections?

[7:18 PM] <riffsyphon1024> and which users are logical and which aren't

[7:18 PM] <WhiteBoy> My suggestion is more direct/less complicated, but it doesn't encourage the article improvement

[7:18 PM] <WhiteBoy> my suggestion allows people to "cancel out" a fan boy vote

[7:18 PM] <MarcK> Of course we could always just stick with the current system and make it very clear what and what not to vote for

[7:18 PM] <WhiteBoy> but only one

[7:19 PM] <StarNeptune> But if there are more fanboys than objectors, it won't do much good

[7:19 PM] <riffsyphon1024> yea i just asked about that

[7:19 PM] <riffsyphon1024> fanboys should then be treated as socks

[7:19 PM] <Wookieeperial> Why do we need a FA system at all?

[7:19 PM] <riffsyphon1024> them and the rest of their friends

[7:19 PM] <WhiteBoy> Star: true

[7:19 PM] <Jaymach Ral'Tir> to put something on the main page 🤔

[7:19 PM] <Wookieeperial> If I might address the question of cutting the gordian knot.

[7:20 PM] <Wookieeperial> Why not have a random article?

[7:20 PM] <riffsyphon1024> the FA system ensures things are getting done on the wiki

[7:20 PM] <WhiteBoy> FA's are to showcase our best articles

[7:20 PM] <Wookieeperial> Do we really need that?

[7:20 PM] <StarNeptune> Why not?

[7:20 PM] <WhiteBoy> so someone new to the wiki can see what we're proud of

[7:20 PM] <Jaymach Ral'Tir> there's too many small articles for random article to work really

[7:20 PM] <StarNeptune> It shows we're actually working on stuff

[7:20 PM] <riffsyphon1024> it also creates rabid competition to create fat articles

[7:20 PM] <WhiteBoy> kinda...what the wiki's about

[7:20 PM] <riffsyphon1024> yea its the point

[7:21 PM] <Wookieeperial> Well, I presume the current selection system is problematic, and now you're (we're) trying to fix it...

[7:21 PM] <Jaymach Ral'Tir> I quite like the idea of this objection system...I mean it'll seem complicated at 1st...but I think people will get used to it...of course I don't have a vote 🤔 but I like it

[7:21 PM] <riffsyphon1024> so we've decided its an admin only thing?

[7:21 PM] <WhiteBoy> don't think so

[7:22 PM] <Jaymach Ral'Tir> well I kinda assumed that anything decided in here would be decided by admins only 🤔

[7:22 PM] <Wookieeperial> Why not just set up a category of articles over x length with no modifications in a week?

[7:22 PM] <Imp> Not really... I think everyone here should be allowed a say

[7:22 PM] <Jaymach Ral'Tir> I think the objection system should be allowed to be used by anyone

[7:22 PM] <Jaymach Ral'Tir> but not decisions in here

[7:22 PM] <MarcK> I think once we limit voting on a featured article to admins we've pretty much killed the principle of a Wiki

[7:22 PM] <Imp> Size does not equal quality, McEwok

[7:22 PM] <WhiteBoy> Jaymach: not really...it's a community meeting, not just admins

[7:23 PM] <Jaymach Ral'Tir> I know...but the ***decisions*** should be made by admins

[7:23 PM] <riffsyphon1024> and users provide recommendations

[7:23 PM] <Wookieeperial> How many crap big articles are there (except the Chiss one?)

[7:23 PM] <Jaymach Ral'Tir> indeed

[7:23 PM] <riffsyphon1024> Palpatine

[7:23 PM] <StarNeptune> lol

[7:23 PM] <riffsyphon1024> Clone Wars

[7:23 PM] <StarNeptune> You wrote the Chiss article

[7:23 PM] <riffsyphon1024> SuperShadow

[7:23 PM] <Wookieeperial> 🤔 I think it could be better.

[7:23 PM] <Imp> Star Wars for one

[7:24 PM] <riffsyphon1024> ditto

[7:24 PM] <Wookieeperial> SuperShadow could be described as "a crap big article" euphmistically, but I rather like his Wookiee page...

[7:24 PM] <Imp> As well as all of the movie articles
[7:24 PM] <riffsyphon1024> full of crap
[7:24 PM] <Jaymach Ral'Tir> the only problem with the SuperShadow article, is that it's possible we could get in trouble if that truly is an image of him
[7:24 PM] <WhiteBoy> Marck: right...wikis thrive because everyone can contrib
[7:24 PM] <Jaymach Ral'Tir> he could attempt to sue for harassment
[7:24 PM] <riffsyphon1024> or or Nathan Butler says it better
[7:25 PM] <riffsyphon1024> -or*
[7:25 PM] <Wookieeperial> How so?
[7:25 PM] <riffsyphon1024> <http://starwars.wikicities.com/wiki/SuperShadow>
[7:25 PM] <Imp> Anyway, we're getting a bit off topic
[7:25 PM] <WhiteBoy> right
[7:25 PM] <riffsyphon1024> yea
[7:25 PM] <WhiteBoy> let's get back to the FA ground rules
[7:25 PM] <riffsyphon1024> righto
[7:25 PM] <Jaymach Ral'Tir> sorry, yes 😊
[7:25 PM] Sikon has entered the room.
[7:25 PM] <riffsyphon1024> hey Sikon
[7:25 PM] <StarNeptune> 'lo Sikon
[7:25 PM] <Jaymach Ral'Tir> hello Sikon 😊
[7:25 PM] <Marck> Yay, somebody else
[7:26 PM] <Sikon> hi all 😊
[7:26 PM] <WhiteBoy> so, how bout the Objection system...
[7:26 PM] <StarNeptune> I like it
[7:26 PM] <Jaymach Ral'Tir> it sounds good to me
[7:26 PM] * WhiteBoy waves to Sikon
[7:26 PM] <Jaymach Ral'Tir> and improves articles
[7:26 PM] <WhiteBoy> right
[7:26 PM] <riffsyphon1024> ill accept it, simplify for laymen though
[7:26 PM] <Imp> All in favour say "Aye"
[7:26 PM] <StarNeptune> aye
[7:26 PM] <Marck> Aye
[7:26 PM] <Imp> Aye
[7:26 PM] <WhiteBoy> aye
[7:26 PM] <riffsyphon1024> aye
[7:26 PM] <Jaymach Ral'Tir> Aye 😊 though it'll take some getting used to
[7:26 PM] <WhiteBoy> opposed say nay
[7:26 PM] <Marck> ...
[7:26 PM] <Jaymach Ral'Tir> confused say what 😊
[7:27 PM] <Sikon> unfortunately, I'm busy right now, so I'll just sit here and listen...
[7:27 PM] <StarNeptune> np
[7:27 PM] <WhiteBoy> hehe
[7:27 PM] <WhiteBoy> ok, cool
[7:27 PM] <Imp> We will simplify it, but we all agree on the general principle
[7:27 PM] <riffsyphon1024> one down
[7:27 PM] <StarNeptune> Now, criteria
[7:27 PM] <WhiteBoy> this kinda leads into where I was going
[7:27 PM] <WhiteBoy> right
[7:27 PM] <Marck> Right, we should implement it this Sunday I reckon
[7:27 PM] <Jaymach Ral'Tir> tomorrow?
[7:28 PM] <Marck> After this week's FA has been decided via the old system
[7:28 PM] <Jaymach Ral'Tir> well today for me
[7:28 PM] <riffsyphon1024> yea

[7:28 PM] <riffsyphon1024> and Sikon
[7:28 PM] <WhiteBoy> yeah
[7:28 PM] <Imp> I like the criteria stated on the CT page
[7:29 PM] <StarNeptune> The revision or the original
[7:29 PM] <WhiteBoy> see how much faster the chat room works than trying to discuss on talk pages and stuff?
[7:29 PM] <WhiteBoy> 😊
[7:29 PM] <riffsyphon1024> efficient
[7:29 PM] <WhiteBoy> kinda why I wanted to try this out
[7:29 PM] <WhiteBoy> yeah
[7:29 PM] <Jaymach Ral'Tir> have to admit, I'm lost as to what you mean by Criteria
[7:29 PM] <Imp> the revision
[7:29 PM] <WhiteBoy> ok..next topic: what is expected of an admin
[7:29 PM] <WhiteBoy> ?
[7:30 PM] <riffsyphon1024> dealing with anons
[7:30 PM] <Imp> No, still criteria 😞
[7:30 PM] <Jaymach Ral'Tir> you have to give all members lots of money? 🙄
[7:30 PM] <StarNeptune> FA criteria
[7:30 PM] <Marck> Fair, welcoming, helpful, stern
[7:30 PM] <riffsyphon1024> yea dont skip hers
[7:30 PM] <WhiteBoy> lol
[7:30 PM] <Imp> Let's finish the FA criteria discussion first
[7:30 PM] <Marck> somebody change the subject to whatever we're talking about
[7:30 PM] <Marck> I just get an error 😞
[7:31 PM] <Jaymach Ral'Tir> well technically, with the objection system, you don't need to worry about criteria too much
[7:31 PM] <StarNeptune> There still should be some criteria
[7:31 PM] <Jaymach Ral'Tir> if someone thinks of something in an article that needs improving, they'll put it down
[7:31 PM] <Jaymach Ral'Tir> true, I suppose
[7:31 PM] <Imp> Revision 1 sounds good to me.
[7:31 PM] <Marck> We definitely should just have a general guideline to save time
[7:31 PM] <Marck> Otherwise people'll be throwing out all kinds of articles just to see how far they get
[7:31 PM] * WhiteBoy has changed the subject to: Featured Articles - http://starwars.wikicities.com/wiki/Wookieepedia:Consensus_track/Featured_article_ground_rules
[7:31 PM] <riffsyphon1024> revision 1 is a given
[7:32 PM] <WhiteBoy> doh...
[7:32 PM] <StarNeptune> So we all agree on revision 1?
[7:32 PM] * WhiteBoy has changed the subject to: Featured Articles - http://starwars.wikicities.com/wiki/Wookieepedia:Consensus_track/Featured_article_criteria
[7:32 PM] <Marck> I'd say in place of the redlinks rule, just use common sense
[7:32 PM] <riffsyphon1024> dont like my submission?
[7:32 PM] <Marck> Use your own judgment as to whether or not an article has too many redlinks
[7:33 PM] <Jaymach Ral'Tir> well technically the red links are other articles entirely
[7:33 PM] <riffsyphon1024> what if we merged it with no tags, no redlink tag
[7:33 PM] <Jaymach Ral'Tir> they have very little to do with the actual article
[7:33 PM] <Marck> Yeah, but it makes it look ugly 🙄
[7:33 PM] <Marck> :P*
[7:33 PM] <Marck> 😡
[7:33 PM] <Marck> 😞
[7:33 PM] <WhiteBoy> lol

[7:33 PM] <Jaymach Ral'Tir> it does, but it doesn't mean it doesn't qualify as an excellent article

[7:33 PM] <WhiteBoy> gotta have purty articles 😊

[7:34 PM] <riffsyphon1024> you would still like other articles related to it to exist, without them hinders the potential of the article in question

[7:34 PM] <Jaymach Ral'Tir> curious

[7:34 PM] <Jaymach Ral'Tir> when an article is a featured article, do you think it should be protected?

[7:35 PM] <StarNeptune> I do

[7:35 PM] <Jaymach Ral'Tir> it would stop a lot of vandalism

[7:35 PM] <StarNeptune> I have had to revert a lot of changes to a few FAs

[7:35 PM] <Jaymach Ral'Tir> as has everyone I believe

[7:35 PM] <WhiteBoy> I don't

[7:35 PM] <StarNeptune> more than likely

[7:35 PM] <Jaymach Ral'Tir> it would be purely while it was featured, of course

[7:35 PM] <riffsyphon1024> how would users get to adding more information while in FA status

[7:35 PM] <Wookieeperial> How about a temp page?

[7:36 PM] <StarNeptune> You got a point there

[7:36 PM] <Jaymach Ral'Tir> have a temp page to allow them to add

[7:36 PM] <riffsyphon1024> thats a good idea

[7:36 PM] <Jaymach Ral'Tir> I mean worst comes to worst, the temp page gets vandalized

[7:36 PM] <riffsyphon1024> then after its out of FA, they can add the info from there and the temp deleted

[7:36 PM] <Wookieeperial> That could be extended beyond FAs to a "bank" of articles....

[7:36 PM] <WhiteBoy> hmmm

[7:37 PM] * riffsyphon1024 yawns

[7:37 PM] <Imp> All in favour of revision 1 of the FA criteria say "Aye"

[7:38 PM] <StarNeptune> aye

[7:38 PM] <riffsyphon1024> aye

[7:38 PM] <Imp> revision*

[7:38 PM] <Imp> Aye

[7:38 PM] <Jaymach Ral'Tir> not sure about the "no more than 5 red links"....but aye

[7:38 PM] <Marck> Aye, but replace "5 redlinks" with "reasonable amount of redlinks"

[7:38 PM] <riffsyphon1024> ill allow it to be removed

[7:38 PM] <Jaymach Ral'Tir> yeah that seems more fair

[7:38 PM] <WhiteBoy> eye

[7:38 PM] <WhiteBoy> hehe

[7:38 PM] <StarNeptune> lol

[7:38 PM] <Imp> agree with Marcky

[7:39 PM] <riffsyphon1024> i second Impey

[7:39 PM] <WhiteBoy> opposed say Nay

[7:39 PM] <Imp> Alright, that's settled then. Next topic!

[7:39 PM] <Imp> 😊

[7:39 PM] <riffsyphon1024> back to admins in general

[7:39 PM] <WhiteBoy> Topic: what is expected of an admin?

[7:39 PM] <Marck> Fair, welcoming, helpful, stern

[7:39 PM] <riffsyphon1024> law enforcement

[7:39 PM] Unknown / command: "/sub"

Try /help

[7:39 PM] * Marck tries to think of more adjectives

[7:40 PM] * WhiteBoy has changed the subject to: What all is expected of an admin

[7:40 PM] <Jaymach Ral'Tir> I'd say they had to not be biased...but that's not really possible

[7:40 PM] <StarNeptune> I try to be fair

[7:40 PM] <Marck> In other words, willing to help out new users but also willing to ban anybody if needed

[7:40 PM] <riffsyphon1024> yea kinda hard not to be

[7:40 PM] <riffsyphon1024> i welcome alot of newbies, and ban plenty of asshats

[7:41 PM] <WhiteBoy> beyond a sizeable donation to my Paypal account, of course 😊

[7:41 PM] <StarNeptune> lol

[7:41 PM] <riffsyphon1024> uh what

[7:41 PM] <Jaymach Ral'Tir> is there any way to make it so that admins can select an option to revert all edits made by a member when they ban them?

[7:41 PM] <WhiteBoy> j/k

[7:41 PM] <StarNeptune> On a related subject, how about ban lenth

[7:41 PM] <Jaymach Ral'Tir> because that'd be handy

[7:41 PM] <Imp> Nope, Jay

[7:41 PM] <Jaymach Ral'Tir> darn

[7:41 PM] <WhiteBoy> hehe..don't think so Jay

[7:41 PM] <Jaymach Ral'Tir> really would be handy for if you ever got Shadowed again

[7:41 PM] <riffsyphon1024> plus what if they actually made a good edit once

[7:42 PM] <Jaymach Ral'Tir> that's why it'd be an option 😊

[7:42 PM] <WhiteBoy> 1) watch new articles created

[7:42 PM] <riffsyphon1024> youd have to update all the wikisoftware

[7:42 PM] <WhiteBoy> yeah

[7:42 PM] <StarNeptune> keep an eye on the Recent Changes page

[7:42 PM] <WhiteBoy> anyone on an RSS feed of new articles?

[7:42 PM] <Imp> Ban lenth... well, I really simply ban users who do nothing but vandalize for several years

[7:42 PM] <riffsyphon1024> Recent Changes is our friend

[7:43 PM] <Jaymach Ral'Tir> yeah I've noticed the "100000 hours" bans 😊

[7:43 PM] <WhiteBoy> yes, it is

[7:43 PM] <StarNeptune> Should we uniform in ban lengths, or should it be our discesion?

[7:43 PM] <riffsyphon1024> 'infinite' works

[7:43 PM] <WhiteBoy> anyone watch the misspellings page?

[7:43 PM] <StarNeptune> we be*

[7:43 PM] <riffsyphon1024> aidje did

[7:43 PM] <WhiteBoy> Maintenance pages - broken links page

[7:43 PM] <WhiteBoy> double redirects page

[7:43 PM] <riffsyphon1024> i watch uncategorized pages and new pages

[7:44 PM] <WhiteBoy> etc.

[7:44 PM] <Imp> I watch recent changes mostly

[7:44 PM] <StarNeptune> me too

[7:44 PM] <Jaymach Ral'Tir> anyone watch the Sourceless pages? 😊

[7:44 PM] <WhiteBoy> should we divy up an admin or two to watch each of these?

[7:44 PM] <riffsyphon1024> someone who likes sources

[7:44 PM] <Jaymach Ral'Tir> I pity whoever gets stuck with Sourceless

[7:44 PM] <Imp> I'm planning to create a WookieeProject for Cat:Sourceless

[7:44 PM] <StarNeptune> lol

[7:44 PM] <Jaymach Ral'Tir> though I vote it be the 2 not here 🐱 lol

[7:44 PM] <WhiteBoy> kinda let those admins be responsible for keeping them up?

[7:44 PM] <StarNeptune> I tried to source some of the stuff in there one day

[7:45 PM] <riffsyphon1024> that would be monotonous and get a million pit droids from me

[7:45 PM] <StarNeptune> but I got frustrated after getting to B

[7:45 PM] <WhiteBoy> lol...now doubt

[7:45 PM] <Imp> I don't think we should delegate responsibilities like that

[7:45 PM] <Jaymach Ral'Tir> really I -could- attempt to source it all...I mean I have enough of the sources....but it'd take too long

[7:45 PM] <WhiteBoy> well, it's an endless job

[7:45 PM] <riffsyphon1024> at least we know where youre getting your stuff Jay

[7:45 PM] <StarNeptune> The fact that some of those are conjecture doesn't help, either
[7:45 PM] <WhiteBoy> especially sourceless
[7:46 PM] <Wookieeperial> CUSWE is your friend for sources
[7:46 PM] <WhiteBoy> yes it is
[7:46 PM] <Jaymach Ral'Tir> well eventually I'm wanting to go through all the pages for the Sources themselves and add "New <<>>" to each of them
[7:46 PM] <Jaymach Ral'Tir> like I did with the Polyhedron's and Challenge's when I added them
[7:46 PM] <riffsyphon1024> what would that do
[7:46 PM] <WhiteBoy> BTW, I'm not saying two admins are in charge of ***ALL*** maintenance type stuff
[7:46 PM] <Jaymach Ral'Tir> it's just a way to find out when something was introduced...as well as giving it a source
[7:46 PM] <riffsyphon1024> ah ok
[7:47 PM] <Jaymach Ral'Tir> JustinGann has started doing it to the KOTOR and movie pages
[7:47 PM] <WhiteBoy> I'm saying put two admins on each maintenance item
[7:47 PM] <riffsyphon1024> yea
[7:47 PM] <WhiteBoy> so like me and Adje work on misspellings together
[7:47 PM] <WhiteBoy> riff and star keep an eye on "category-less"
[7:47 PM] <WhiteBoy> etc.
[7:47 PM] <riffsyphon1024> im nuts for cats
[7:47 PM] <Imp> Don't worry about Cat:Sourceless

[7:47 PM] <Jaymach Ral'Tir> I've noticed that 🤔
[7:48 PM] <riffsyphon1024> shame on those who dont categorize
[7:48 PM] <WhiteBoy> if we do that with sourceless, it'll need to be all of us working on it together
[7:48 PM] <Jaymach Ral'Tir> once I've finished my ambig articles, I'll attempt to get through Sourceless
[7:48 PM] <Imp> the new wookieeproject will hopefully get some non-admins to help with that
[7:48 PM] <riffsyphon1024> good
[7:48 PM] <WhiteBoy> yes, good idea, Imp
[7:49 PM] <WhiteBoy> maybe we can use WookieeProjects for other things?
[7:49 PM] <Imp> Anyway, back on topic
[7:49 PM] <WhiteBoy> *things
[7:49 PM] <riffsyphon1024> save projects for later
[7:49 PM] <WhiteBoy> k

[7:49 PM] <Jaymach Ral'Tir> so what's expected of an admin? 🤔
[7:49 PM] <WhiteBoy> should admins step in on talk pages gone bad?
[7:50 PM] <riffsyphon1024> depends on the article
[7:50 PM] <Jaymach Ral'Tir> and depends how bad
[7:50 PM] <StarNeptune> On a related note, should there be a code of conduct?
[7:50 PM] <WhiteBoy> I say yes when it gets outta hand...
[7:50 PM] <Imp> Administrators should be helpful, fair, knowledgeable about the format of the wiki
[7:50 PM] <Jaymach Ral'Tir> YES! please
[7:50 PM] <riffsyphon1024> how do we determine that exactly?
[7:50 PM] <Jaymach Ral'Tir> we ***really*** need a code of conduct
[7:50 PM] <WhiteBoy> code of conduct is good idea
[7:50 PM] <Imp> Rules of engagement
[7:50 PM] <StarNeptune> I've noticed some users being totally rude to others
[7:50 PM] <riffsyphon1024> neb...
[7:51 PM] <StarNeptune> Yeah, him too
[7:51 PM] <Jaymach Ral'Tir> ***coughs***
[7:51 PM] <WhiteBoy> just letting Joe User how they're expected to act
[7:51 PM] <riffsyphon1024> yea, no horseplay, you might break something
[7:51 PM] <Imp> Wookieepedia:Wookieequette?
[7:51 PM] <Wookieeperial> "Let the Wookiee win"?
[7:51 PM] <WhiteBoy> no real life info revealed about another user, no foul language, be nice, etc

[7:51 PM] <riffsyphon1024> Imperial Code of Conduct?
[7:52 PM] <riffsyphon1024> where do you draw the line at "real life info"
[7:52 PM] <MarCK> Wookiee Code
[7:52 PM] <Imp> An article should be made... we all agree on that at least
[7:52 PM] <WhiteBoy> hehe..."Let the Wookiee Win"
[7:52 PM] <MarCK> There is no vandalism, there is only improvement
[7:52 PM] <Wookieeperial> Hah!
[7:52 PM] <riffsyphon1024> heh
[7:52 PM] <Jaymach Ral'Tir> I'd say anything not revealed on the User page
[7:52 PM] <MarCK> There is no bantering, there is consensus
[7:52 PM] <Jaymach Ral'Tir> as to real life info
[7:52 PM] <WhiteBoy> MarCK: lol
[7:52 PM] <riffsyphon1024> youll have to explain
[7:53 PM] <Jaymach Ral'Tir> me?
[7:53 PM] <riffsyphon1024> yea
[7:53 PM] <WhiteBoy> RL info:info should only be added by the user
[7:53 PM] <Wookieeperial> Speaking personally, can I point out that most misbehaviour stems from disagreement...?
[7:53 PM] <Jaymach Ral'Tir> basically...if someone doesn't have real life information on their user page and you know it...you have to pretend you don't
[7:53 PM] <Wookieeperial> I'm sure I've yelled at people before...
[7:53 PM] <Jaymach Ral'Tir> unless they have it on their user page, then they don't want it revealed
[7:53 PM] <riffsyphon1024> ah ok
[7:53 PM] <WhiteBoy> right
[7:53 PM] <Imp> we can't force users to act one way or another really
[7:54 PM] <riffsyphon1024> Chad make it sound like no personal info
[7:54 PM] <Imp> as far as rudeness goes
[7:54 PM] <WhiteBoy> key word...*another* user
[7:54 PM] <riffsyphon1024> i see now
[7:54 PM] <WhiteBoy> Imp: we can enforce people being nice
[7:55 PM] <WhiteBoy> ...to other users
[7:55 PM] <riffsyphon1024> i couldnt just walk around with a happy face, Star can do that
[7:55 PM] * StarNeptune walks around with a happy face
[7:55 PM] <WhiteBoy> lol
[7:55 PM] <riffsyphon1024> see it works
[7:56 PM] <Jaymach Ral'Tir> you don't have to be happy...as long as you're not insulting
[7:56 PM] <WhiteBoy> why not, Imp?
[7:56 PM] <riffsyphon1024> Star will be our courtesy queen
[7:56 PM] <StarNeptune> Yeah
[7:56 PM] <WhiteBoy> right...there can be disagreements without being disagreeable
[7:56 PM] <Imp> well, we can enforce it of course...
[7:56 PM] <StarNeptune> I draw the line at personal attacks
[7:57 PM] <Jaymach Ral'Tir> of course, there's always civilized insults which are hard to notice
[7:57 PM] <riffsyphon1024> my motto however is simple: Vandalize and Die
[7:57 PM] <WhiteBoy> lol
[7:57 PM] <Wookieeperial> Define vandalism?
[7:57 PM] <MarCK> Putting "LOLOL STAR WARS IZ GHEY" in an article
[7:57 PM] <riffsyphon1024> blanking, vulgar language, stupid stuff
[7:57 PM] <WhiteBoy> changing the main page to a pr0n link
[7:57 PM] <MarCK> Things like that
[7:57 PM] <riffsyphon1024> yea
[7:57 PM] <Jaymach Ral'Tir> I'm curious....why isn't the main page just locked?
[7:57 PM] <riffsyphon1024> spam is the worst
[7:58 PM] <Jaymach Ral'Tir> I mean it's all templates anyway
[7:58 PM] <riffsyphon1024> because someone always complins

[7:58 PM] <Marck> It is
[7:58 PM] <riffsyphon1024> complains*
[7:58 PM] <Jaymach Ral'Tir> so shoot them 🙄
[7:58 PM] <StarNeptune> It is locked
[7:58 PM] <Jaymach Ral'Tir> it is now? excellent
[7:58 PM] <riffsyphon1024> then why can people edit it
[7:58 PM] <Jaymach Ral'Tir> I'm gonna see if I can
[7:58 PM] <StarNeptune> Accoring to tab on the top of my screen, it says "Unportect"
[7:59 PM] <riffsyphon1024> i noticed an anon edit it today
[7:59 PM] <WhiteBoy> have to go to the templates individually to change them
[7:59 PM] <StarNeptune> and dammit, grammar check
[7:59 PM] <riffsyphon1024> who said "that extra line at the top is annoying)"
[7:59 PM] <Jaymach Ral'Tir> I can edit
[7:59 PM] <StarNeptune> My "protect" tab says "Unprotect"
[7:59 PM] <Jaymach Ral'Tir> so it's not protected
[7:59 PM] <Marck> Where's the protection history?
[7:59 PM] <StarNeptune> Which I assume means it's locked
[7:59 PM] <Imp> can we formally change the subject, then?
[7:59 PM] <riffsyphon1024> i dont see your edit Jay
[7:59 PM] <Jaymach Ral'Tir> I've not edited
[7:59 PM] <Jaymach Ral'Tir> but I ***can***
[7:59 PM] <riffsyphon1024> try it
[8:00 PM] * WhiteBoy has changed the subject to: Code of conduct
[8:00 PM] <Marck> It says "edit" instead of "view source"?
[8:00 PM] <Jaymach Ral'Tir> testing editing
[8:00 PM] <Jaymach Ral'Tir> yup I can edit
[8:00 PM] <riffsyphon1024> then how is an anon capable of doing so
[8:00 PM] <Jaymach Ral'Tir> bottom of the page, added the word Test
[8:00 PM] <riffsyphon1024> k, you showed up
[8:00 PM] <Marck> 21:31, 9 Nov 2005 SparqMan protected Main Page (Protected from moves to avoid move problem)
[8:00 PM] <Imp> i reprotected it
[8:00 PM] <Marck> Aaaaaahhh
[8:00 PM] <Marck> That explains it
[8:01 PM] <riffsyphon1024> he only move protected it
[8:01 PM] <riffsyphon1024> i should have known
[8:01 PM] <Imp> it is now completely protected though
[8:01 PM] <Jaymach Ral'Tir> it's fully protected now
[8:01 PM] <Jaymach Ral'Tir> and I can't remove the word test 🙄
[8:01 PM] <riffsyphon1024> why didnt he fully lock the thing?
[8:02 PM] <Imp> who knows
[8:02 PM] <riffsyphon1024> ill get it removed
[8:02 PM] <Imp> Anyway, a code of conduct page should be made
[8:02 PM] <riffsyphon1024> right
[8:02 PM] <StarNeptune> yes
[8:02 PM] <Jaymach Ral'Tir> deffinately
[8:02 PM] <Imp> we all agree on that, so lets move on
[8:02 PM] <riffsyphon1024> oh thanks Imp
[8:02 PM] <Jaymach Ral'Tir> do we need to decide what's on it just now, or shall that wait for later?
[8:02 PM] <WhiteBoy> who's going to start it?
[8:03 PM] <WhiteBoy> Star, can you start something on that?
[8:03 PM] <Imp> I say we hold a consensus track to decide what goes on there
[8:03 PM] <riffsyphon1024> the courtesy queen?
[8:03 PM] <Jaymach Ral'Tir> that's a good idea

[8:03 PM] <Imp> or let Star do it 🙄

[8:03 PM] <riffsyphon1024> 🙄

[8:03 PM] <Jaymach Ral'Tir> well Star could start a basic one (if she wants to of course?)

[8:03 PM] <Jaymach Ral'Tir> then a consensus to see if anything is needed to be added

[8:03 PM] <StarNeptune> Sure

[8:03 PM] <WhiteBoy> consensus track works

[8:04 PM] <Imp> Alright then. Shall we discuss recruitment?

[8:04 PM] <WhiteBoy> ready for next idea?

[8:04 PM] <riffsyphon1024> yep

[8:04 PM] <WhiteBoy> recruitment it is

[8:04 PM] <riffsyphon1024> admin that is?

[8:04 PM] * WhiteBoy has changed the subject to: Recruitment

[8:04 PM] <WhiteBoy> users, I think

[8:04 PM] <Jaymach Ral'Tir> so advertising and stuff then?

[8:04 PM] <Imp> Currently our venues are: Word of "mouth", JC forums

[8:05 PM] <riffsyphon1024> ah ok

[8:05 PM] <Marck> If anybody posts on TFN or such, it would be good to put Wookieepedia in their sig or quote or something

[8:05 PM] <Jaymach Ral'Tir> hey I put up posters darnit 🙄

[8:05 PM] <Jaymach Ral'Tir> I want more Scottish users

[8:05 PM] <WhiteBoy> lol

[8:05 PM] <riffsyphon1024> i got advertisements on myspace and facebook

[8:05 PM] <Wookieeperial> He has to make do with me.

[8:05 PM] <Wookieeperial> Have pity on the man

[8:05 PM] <Jaymach Ral'Tir> you're not even always in the country 🙄

[8:06 PM] <Wookieeperial> The noblest sight any Scotsman can see!!

[8:06 PM] <WhiteBoy> what other star wars communities?

[8:06 PM] <StarNeptune> IWell

[8:06 PM] <riffsyphon1024> we've made TFN

[8:06 PM] <StarNeptune> There's the SW board on GameFAQs

[8:06 PM] <Jaymach Ral'Tir> TF.N is the main one of course....are you allowed to advertise on SW.com's boards?

[8:06 PM] <riffsyphon1024> for a while on the boards

[8:06 PM] <riffsyphon1024> on fansites you can i believe

[8:07 PM] <riffsyphon1024> oh SW.com's n/m

[8:07 PM] <Jaymach Ral'Tir> do we have one there?

[8:07 PM] <Marck> A few VIP bloggers have already posted things about Wookieepedia on SW.com

[8:07 PM] <WhiteBoy> are we willing to do actual ads...as in *pay money*?

[8:07 PM] <Marck> Like Abel G. Pena

[8:07 PM] <Jaymach Ral'Tir> yeah that was good 🙄

[8:07 PM] <riffsyphon1024> thank you Abel

[8:07 PM] <WhiteBoy> yes, it was

[8:07 PM] <Jaymach Ral'Tir> I assume you're not receiving the revenue from the google ad's?

[8:07 PM] <WhiteBoy> and lady doing Mando'a

[8:07 PM] <Imp> i think having our own domain would help recruitment

[8:07 PM] <WhiteBoy> (can't think of her name)

[8:07 PM] <Wookieeperial> Yep. And I know Karen Traviss keeps an eye on...

[8:07 PM] <Jaymach Ral'Tir> you have your own domain

[8:08 PM] * riffsyphon1024 awaits Abel's Grievous article

[8:08 PM] <Wookieeperial> ^^ She's registered.

[8:08 PM] <Jaymach Ral'Tir> it just doesn't point to the Wookieepedia yet

[8:08 PM] <Marck> I've heard Nathan Butler mentioned it on ChronoRadio

[8:08 PM] <Wookieeperial> Keeps an eye on the mando'a stuff...
[8:08 PM] <WhiteBoy> right...working on that
[8:08 PM] <riffsyphon1024> we have all this in the Wookieepedia article
[8:08 PM] <WhiteBoy> I own wookieepedia.com
[8:08 PM] <riffsyphon1024> nice
[8:08 PM] <Jaymach Ral'Tir> I know you do
[8:08 PM] <WhiteBoy> and starwarswiki.org
[8:08 PM] <riffsyphon1024> nicer
[8:09 PM] <Wookieeperial> Nice.
[8:09 PM] <Jaymach Ral'Tir> if there was any way I could help I'd offer it
[8:09 PM] <WhiteBoy> don't have any hosting where I can do a redirect yet 🙄
[8:09 PM] <WhiteBoy> anyone know someone who could do that for free?
[8:09 PM] <Imp> can't you just sell wookieepeda.com to Wikia?
[8:09 PM] <WhiteBoy> I hate to pay just to have a redirect, even if it is just \$5/month
[8:10 PM] <WhiteBoy> yes, I can
[8:10 PM] <Jaymach Ral'Tir> it shouldn't be that much
[8:10 PM] <Imp> i mean, they treat us extremely well
[8:10 PM] <WhiteBoy> yes, they do
[8:10 PM] <Imp> I see no reason for us to leave yet
[8:10 PM] <riffsyphon1024> i'd hate to leave
[8:10 PM] <Imp> or ever
[8:10 PM] <WhiteBoy> no, I don't mean leave
[8:10 PM] <Jaymach Ral'Tir> honestly? if you leave you're going to have to buy a T1 host for yourself
[8:10 PM] <Jaymach Ral'Tir> that will be the only way to cope with the users
[8:11 PM] <WhiteBoy> right
[8:11 PM] <Jaymach Ral'Tir> and they're bloody expensive
[8:11 PM] <WhiteBoy> I don't wanna leave
[8:11 PM] <Jaymach Ral'Tir> I wouldn't want to either
[8:11 PM] <WhiteBoy> but my hesitation to selling the domain is ...what if they decide to change their policy
[8:12 PM] <Jaymach Ral'Tir> yes that's true
[8:12 PM] <Marck> How so?
[8:12 PM] <riffsyphon1024> besides, if we left for another website, wouldn't we lose the ease of linking to wikipedia with Wikipedia:Subject?
[8:12 PM] <Jaymach Ral'Tir> no you wouldn't
[8:12 PM] <riffsyphon1024> or any other Wikimedia project
[8:12 PM] <Marck> HRWiki.org still lets you do that
[8:12 PM] <Jaymach Ral'Tir> that's part of the WikiMedia code
[8:12 PM] <Jaymach Ral'Tir> you'd have to pay to buy the source code though
[8:12 PM] <riffsyphon1024> ok
[8:12 PM] <Jaymach Ral'Tir> or not the source code sorry
[8:12 PM] <Jaymach Ral'Tir> but the general software
[8:12 PM] <WhiteBoy> no, Mediawiki is open source
[8:12 PM] <riffsyphon1024> and we'd have to have someone who knew the inner workings
[8:13 PM] <Jaymach Ral'Tir> it is?
[8:13 PM] <Imp> their policy on what?
[8:13 PM] <riffsyphon1024> ?
[8:13 PM] <Jaymach Ral'Tir> excellent
[8:13 PM] <WhiteBoy> oh, anything...like start doing pop-up ads
[8:13 PM] <riffsyphon1024> uh no
[8:13 PM] <WhiteBoy> charge to host the wiki
[8:13 PM] <Jaymach Ral'Tir> WhiteBoy: <http://forwarding.clockwatchers.com/redirect.html>
[8:14 PM] <WhiteBoy> hmm..thanks for the link
[8:14 PM] <WhiteBoy> that might work

[8:14 PM] <Jaymach Ral'Tir> no problem
[8:14 PM] <Jaymach Ral'Tir> seems to be the cheapest I can find
[8:15 PM] <WhiteBoy> but, as I've said before, I will do whatever the community decides
[8:15 PM] <WhiteBoy> when I've talked to Angela about it, she says the same thing about me
[8:16 PM] <Jaymach Ral'Tir> you could ask....is it Angela that's your contact?....if some of the revenue from the google ad's can go into the forwarding
[8:16 PM] <Jaymach Ral'Tir> because I expect they'll get more than enough to cover that price
[8:16 PM] <WhiteBoy> like what if I decide to move the site to some other hosting and start doing my own ads
[8:17 PM] <WhiteBoy> I told her I'd never do that
[8:17 PM] <WhiteBoy> but she said who are people going to trust more?
[8:17 PM] <WhiteBoy> wikia or me?
[8:17 PM] <WhiteBoy> hehe
[8:17 PM] <Jaymach Ral'Tir> that's true
[8:17 PM] <WhiteBoy> dunno the answer to that
[8:18 PM] <riffsyphon1024> brb
[8:18 PM] <WhiteBoy> I trust me, because I know a company has to make money and stuff
[8:18 PM] <WhiteBoy> er...I'd
[8:18 PM] <WhiteBoy> anyway
[8:19 PM] * WhiteBoy wonders if everyone fell asleep
[8:19 PM] <Imp> we can always just think up a new name if wikia decides to chare for hosting
[8:19 PM] <StarNeptune> Nah
[8:19 PM] * Marck wakes up
[8:19 PM] <Imp> charge*
[8:19 PM] <Imp> and register a new domain
[8:19 PM] <WhiteBoy> what's better than wookieepedia, tho 🤔
[8:20 PM] <WhiteBoy> but you're right
[8:20 PM] <Marck> Wicketpedia was one of the old suggestions
[8:20 PM] <Jaymach Ral'Tir> well if it's no longer affiliated with Wikipedia, then anything 🤔
[8:20 PM] <Imp> however, it doesn't seem like Wikia will do any of these things any time soon
[8:20 PM] <Jaymach Ral'Tir> it doesn't, no
[8:20 PM] <WhiteBoy> I agree
[8:20 PM] <Imp> so I say sell it, and if these things happen we will discuss moving
[8:21 PM] <Jaymach Ral'Tir> well if those things did happen, I'd assume you wouldn't want to stay affiliated with Wikipedia
[8:21 PM] <Jaymach Ral'Tir> though you'd still use MediaWiki of course
[8:21 PM] <Jaymach Ral'Tir> but Wookieepedia is just a play on Wikipedia, so you'd be wanting to get rid of it, no?
[8:21 PM] <Wookieeperial> The name is known, though.
[8:21 PM] <WhiteBoy> not necessarily
[8:21 PM] <WhiteBoy> right
[8:21 PM] <Jaymach Ral'Tir> true
[8:22 PM] <Wookieeperial> "Wookieepedia" has become like "Memory Alpha" for Trek.
[8:22 PM] <Wookieeperial> The Wiki resource
[8:22 PM] <WhiteBoy> and it's not really associated with Wikipedia anymore
[8:22 PM] <Wookieeperial> It's a pun...
[8:22 PM] <WhiteBoy> right
[8:22 PM] <WhiteBoy> anyway...sorry to chase that rabbit
[8:23 PM] <WhiteBoy> next topic?
[8:23 PM] <Jaymach Ral'Tir> sure 🤔
[8:23 PM] <WhiteBoy> or everyone ready to call it a night?
[8:23 PM] <Marck> Logo
[8:23 PM] <Marck> Who changes it?
[8:23 PM] <Imp> We're not done yet.

[8:23 PM] <Jaymach Ral'Tir> it's only been an hour and a half 🤔
[8:23 PM] <Imp> Aye, what's happening with riff's friend's proposal?
[8:23 PM] <WhiteBoy> lol....yeah, we won't get done tonight
[8:24 PM] * WhiteBoy has changed the subject to: New log
[8:24 PM] * WhiteBoy has changed the subject to: New Logo
[8:24 PM] <riffsyphon1024> back

[8:24 PM] <Marck> We also need a new log 🤔
[8:24 PM] <WhiteBoy> gotta link handy for the new logo discussion?
[8:24 PM] <WhiteBoy> rofl
[8:24 PM] <StarNeptune> I thought you could change it by uploading it to the same name as the existing one
[8:24 PM] <Marck>
http://starwars.wikicities.com/wiki/Wookieepedia:Consensus_track/Logo_change
[8:25 PM] <WhiteBoy> yes, I think you can
[8:25 PM] <riffsyphon1024> Riff's friend has disappeared on him
[8:25 PM] <Imp> so riff
[8:25 PM] <riffsyphon1024> i have no clue what shes been doing for the past few weeks, except making photo blogs and ignoring me on AIM
[8:25 PM] <riffsyphon1024> so for the meantime shes out of the picture
[8:26 PM] <Imp> Can't we just put up Spork's most popular candidate, at least temporarily?
[8:26 PM] <Wookieeperial> Hmm...
[8:26 PM] <Jaymach Ral'Tir> I personally love it
[8:26 PM] <Jaymach Ral'Tir> though I'm noticing I've not voted >.>
[8:26 PM] <riffsyphon1024> im fine with the most popular one now
[8:26 PM] <Jaymach Ral'Tir> yeah so am I
[8:27 PM] <Imp> A lot of people are fine with it
[8:27 PM] <Marck> If that's not a consensus I don't know what is
[8:27 PM] <WhiteBoy> me too
[8:27 PM] <Imp> an overwhelming majority, in fact
[8:27 PM] <riffsyphon1024> thats why its popular
[8:27 PM] <Jaymach Ral'Tir> we have 4 votes against it
[8:27 PM] <Jaymach Ral'Tir> everyone else is voting for it
[8:27 PM] <Marck> 18-3-1
[8:27 PM] <Jaymach Ral'Tir> ah wait...5 votes against
[8:27 PM] <Marck> er, 18-3-2-1
[8:28 PM] <Marck> Either way it's kicking ass
[8:28 PM] <Jaymach Ral'Tir> blah 6....it's still only 1/3 of the votes ***for*** it
[8:28 PM] <Wookieeperial> I din't get it...
[8:28 PM] <riffsyphon1024> user Palpy doesnt count
[8:28 PM] <Wookieeperial> I love the wookiees.
[8:28 PM] <Jaymach Ral'Tir> feel free to vote Palpy's vote out for me then
[8:28 PM] <Jaymach Ral'Tir> the 2nd Death Star seems more suiting though
[8:29 PM] <Wookieeperial> Why?
[8:29 PM] <WhiteBoy> cuz it's round
[8:29 PM] <Jaymach Ral'Tir> always in construction but still operational?
[8:29 PM] <Wookieeperial> "Its design stunk", to quote Mara Jade.
[8:29 PM] <riffsyphon1024> anyway it will work because its not really a change from the existing one, but the text is covered
[8:29 PM] <Wookieeperial> bows Jaymach wins.
[8:29 PM] <riffsyphon1024> aye Jay
[8:29 PM] <WhiteBoy> lol
[8:29 PM] <Jaymach Ral'Tir> I mean sure it doesn't have Wookiee's
[8:29 PM] <WhiteBoy> brb...phone
[8:30 PM] <Jaymach Ral'Tir> but it just seems to work more
[8:30 PM] <riffsyphon1024> but it should be "fully operational"

[8:30 PM] * riffsyphon1024 Palpy cackles
[8:30 PM] <Wookieeperial> Agreed.
[8:30 PM] <Wookieeperial> Can I raise something?
[8:30 PM] <riffsyphon1024> yes?
[8:31 PM] Wookieeperial is now known as McEwok.
[8:31 PM] McEwok has entered the room.
[8:31 PM] <McEwok> sticks up furry paw
[8:31 PM] <riffsyphon1024> lol
[8:31 PM] <Jaymach Ral'Tir> changing to the Ewok to cause mayhem? 🤔
[8:31 PM] <McEwok> 🤔
[8:31 PM] <McEwok> A thought on terminology...
[8:31 PM] <riffsyphon1024> what are you a WereEwok now?
[8:31 PM] <WhiteBoy> lol
[8:31 PM] <WhiteBoy> shape shifter 🤔
[8:31 PM] <riffsyphon1024> Shi'ido
[8:31 PM] <McEwok> I'm somewhere between 8km and 19km long, depending on the mood?
[8:31 PM] Imp has left the room.
[8:31 PM] <riffsyphon1024> heh
[8:32 PM] <Jaymach Ral'Tir> hmm...what happened to Imp?
[8:32 PM] <riffsyphon1024> where'd Imp go?
[8:32 PM] <Jaymach Ral'Tir> completely offline
[8:32 PM] <McEwok> Dunno?
[8:32 PM] <StarNeptune> Maybe he lost his connection
[8:32 PM] <riffsyphon1024> the first casualty of many
[8:32 PM] <Jaymach Ral'Tir> perhaps
[8:32 PM] <McEwok> A lot of the Wiki wars I've been involved in have been about terminology...
[8:32 PM] <McEwok> Perhaps I scared him off...
[8:32 PM] * McEwok grins
[8:32 PM] <riffsyphon1024> perhaps
[8:32 PM] <MarcK> I think from now on whenever we do this we should have a notice on the main page
[8:33 PM] <riffsyphon1024> yea
[8:33 PM] <WhiteBoy> the chat room meeting?
[8:33 PM] <MarcK> Yeah
[8:33 PM] <riffsyphon1024> wookieenews too
[8:33 PM] <Jaymach Ral'Tir> well this was the 1st 1...so it was just a test to begin with anyway
🤔
[8:33 PM] <WhiteBoy> k...posted it to the community portal
[8:33 PM] <McEwok> Okay... is anyone listening to me?
[8:33 PM] <WhiteBoy> yeah, meant to put it in Wookieenews, but forgot
[8:33 PM] McEwok is now known as Wookieeperial.
[8:33 PM] Wookieeperial has entered the room.
[8:33 PM] <Jaymach Ral'Tir> I am 🤔
[8:34 PM] <Wookieeperial> Liar.
[8:34 PM] <WhiteBoy> Jay: true
[8:34 PM] <Wookieeperial> You don't count.
[8:34 PM] <Jaymach Ral'Tir> unfortunately Imp leaving kinda distracted everyone 🤔
[8:34 PM] <riffsyphon1024> about what Ewok
[8:34 PM] <MarcK> Yeah, sorry 🤔
[8:34 PM] <Wookieeperial> 🤔
[8:34 PM] <WhiteBoy> so, new logo is ready to be change, I guess
[8:34 PM] <riffsyphon1024> i told you this would never work

[8:34 PM] <StarNeptune> yep
[8:34 PM] <Jaymach Ral'Tir> indeed
[8:34 PM] <Marck> Boy, we're solving alot of things here
[8:34 PM] <WhiteBoy> the link off-site
[8:35 PM] <riffsyphon1024> yea change the logo
[8:35 PM] <WhiteBoy> is that OK to take it if they haven't posted it?
[8:35 PM] <Marck> Featured article process has been decided, featured article criteria, and now a new logo
[8:35 PM] <WhiteBoy> to the wiki I mean?
[8:35 PM] <Wookieeperial> Just wondering whether it might be an idea to officially exclude referring to things by precise designations that aren't canon.
[8:35 PM] <riffsyphon1024> in other words, no Star Dreadnoughts?
[8:35 PM] <Wookieeperial> Yep.
[8:36 PM] <riffsyphon1024> but then that is canon
[8:36 PM] * Wookieeperial was trying to think of other examples.
[8:36 PM] <Jaymach Ral'Tir> the classification isn't canon
[8:36 PM] <riffsyphon1024> right
[8:36 PM] <WhiteBoy> um...what's the subject now?
[8:36 PM] <Jaymach Ral'Tir> it being used as a star dreadnought is
[8:36 PM] <riffsyphon1024> Dreadnoughts apparently
[8:36 PM] <Wookieeperial> The term "Star Dreadnought" is canon, yes, but only for the Mandator and arguably the Executor - not for Sovereign or Eclipse
[8:37 PM] <riffsyphon1024> and you can go on about this forever im sure
[8:37 PM] * WhiteBoy has changed the subject to: Terminology
[8:37 PM] <Wookieeperial> I don't want to.
[8:37 PM] <riffsyphon1024> so this is a part of Terminology?
[8:37 PM] <Wookieeperial> Yep.
[8:37 PM] <riffsyphon1024> also thought it was the termination of users
[8:37 PM] <riffsyphon1024> 😊
[8:38 PM] <Jaymach Ral'Tir> we can do that? *grin*
[8:38 PM] <WhiteBoy> lol
[8:38 PM] <riffsyphon1024> do i have permission to delete that AESWwhatever account?
[8:38 PM] <Jaymach Ral'Tir> I'd say yes if I was in a position to do so
[8:39 PM] <riffsyphon1024> that was for Chad
[8:39 PM] <Wookieeperial> Basically, there's a small group of Wookieepedians (Nebulax, VT-16, JimRaynor55, Vermillion) who try to include a lot of hypothetical stuff in articles, particularly tech stuff... a lot of the "noise" at Wookiee seems to come from my disagreeing with them...
[8:40 PM] <Wookieeperial> There are articles (for instance, the one on rank systems) that are 100% fanon, but which I feel I can't touch for fear of firefights breaking out
[8:40 PM] <StarNeptune> Which article is that?
[8:40 PM] <riffsyphon1024> list those please
[8:40 PM] <Marck> http://starwars.wikicities.com/wiki/Rank_Insignia_of_the_Galactic_Empire
[8:41 PM] <Marck> I'm guessing that's the one you mean
[8:41 PM] <riffsyphon1024> didnt sparq make that
[8:41 PM] <Marck> Actually you did
[8:41 PM] <Marck> 😊
[8:41 PM] <Wookieeperial> It's been cleaned up.
[8:41 PM] <Wookieeperial> But most of it is still BS
[8:41 PM] <riffsyphon1024> whos you?
[8:41 PM] <WhiteBoy> Riff: what's your friend's name who created the logo...wanna give credit
[8:41 PM] <Marck> Riff
[8:42 PM] <riffsyphon1024> my friend wasnt able to submit anything
[8:42 PM] <Marck> 00:05, 19 Mar 2005 Riffsyphon1024 (copied from wikipedia)
[8:42 PM] <Wookieeperial> The "conjectural rank system" is Curtis Saxton at his most fanwanky.

[8:42 PM] <riffsyphon1024> and that must have been a wikipedia copy because i never wrote a rank article

[8:42 PM] <Wookieeperial> There's a pretty clear canon system, but SWTC trashes it.

[8:43 PM] <Wookieeperial> This is an example of the sort of page that most people just won't realise has problems.

[8:43 PM] <Wookieeperial> I mean, the actual canon has problems too...

[8:43 PM] <WhiteBoy> ah...who submitted the new logo, then?

[8:43 PM] <Wookieeperial> But IMHO this is worse.

[8:43 PM] <StarNeptune> Dark Spork

[8:43 PM] <WhiteBoy> tx

[8:44 PM] <Jaymach Ral'Tir> yes posting a flawed canon system is better than posting a working fanon system

[8:44 PM] * WhiteBoy goes back to changing logo

[8:44 PM] <riffsyphon1024> Dark Spork made the logo

[8:44 PM] <riffsyphon1024> but this wasnt my friend i was waiting on

[8:44 PM] <Wookieeperial> What Jaymach said

[8:45 PM] <Wookieeperial> It's just that obviously you guys aren't really interested.

[8:45 PM] <Wookieeperial> So what then?

[8:45 PM] <riffsyphon1024> or elsewhere

[8:45 PM] <WhiteBoy> ok, everyone do a refresh and check out the new logo

[8:45 PM] <Jaymach Ral'Tir> they're excited about their new logo 🤔

[8:45 PM] <riffsyphon1024> no change

[8:45 PM] * WhiteBoy looking for what I missed

[8:45 PM] <StarNeptune> Yeah

[8:46 PM] <StarNeptune> I see it

[8:46 PM] <MarcK> There it goes

[8:46 PM] <MarcK> 😊

[8:46 PM] <riffsyphon1024> a delay perhaps?

[8:46 PM] <Jaymach Ral'Tir> most probably a cache

[8:46 PM] <riffsyphon1024> awesome!

[8:46 PM] <WhiteBoy> refresh a couple of times because of wikia's caching servers

[8:46 PM] <riffsyphon1024> i got it now, great job

[8:47 PM] <riffsyphon1024> and kudos to spork

[8:47 PM] <Wookieeperial> Yay!!

[8:47 PM] <Wookieeperial> Power to the smurf!!

[8:47 PM] <riffsyphon1024> so what all have we gotten done tonight

[8:48 PM] <riffsyphon1024> im ready for more drastic changes

[8:48 PM] <MarcK> We've pretty much solved the featured article problem

[8:48 PM] * Jaymach Ral'Tir points back at McEwok's stuff

[8:48 PM] <MarcK> Hmm

[8:48 PM] <Jaymach Ral'Tir> that's rather drastic 🤔

[8:48 PM] Imp has entered the room.

[8:48 PM] <WhiteBoy> sorry McEwok, was busy trying to change the logo, cuz I didn't think I knew enough about the topic you were discussing

[8:48 PM] <StarNeptune> What about the vanity images?

[8:48 PM] <riffsyphon1024> ick

[8:48 PM] <Jaymach Ral'Tir> welcome back Imp

[8:49 PM] <MarcK> As for what McEwok was saying, anything fanon should be killed

[8:49 PM] <StarNeptune> Yes

[8:49 PM] <MarcK> Simple

[8:49 PM] <Imp> yay, new logo

[8:49 PM] <riffsyphon1024> killed, redirected, and locked

[8:49 PM] <StarNeptune> We should have a proces to kill fanon right away

[8:49 PM] <Jaymach Ral'Tir> but does that include fanon interpretation of text?

[8:49 PM] <riffsyphon1024> or just killed

[8:49 PM] <Marck> if it involves fanon in anyway it's fanon

[8:49 PM] <Jaymach Ral'Tir> I mean I can understand why people have classed the Eclipse and Sovereign as -class Star Dreadnoughts

[8:49 PM] <Wookieeperial> It's a simple question. When it comes to Proper Nouns, for instance, "Imperial-class Star Destroyer", or "Commander is a starfighter command rank", only things that are explicitly sourced in canon should be allowed (outside Behind-the-scenes)...

[8:50 PM] <Jaymach Ral'Tir> but technically they've not been called such

[8:50 PM] <Jaymach Ral'Tir> and that too 😊

[8:50 PM] <Wookieeperial> I can understand it too. But it's not canon.

[8:50 PM] <riffsyphon1024> S-canon

[8:51 PM] <Wookieeperial> I'm happy to have it noted as a popular fanon designation in B-t-s; I'd change it instantly if new canon appeared...

[8:51 PM] <Wookieeperial> But as it stands... no canon.

[8:51 PM] <Wookieeperial> They're just bloody big Star Destroyers.

[8:51 PM] <Jaymach Ral'Tir> lol

[8:51 PM] <riffsyphon1024> then that should be the canon name

[8:51 PM] <riffsyphon1024> Bloody big-class Star Destroyers

[8:51 PM] <Wookieeperial> We might as well by that logic call the MC80 a Star Destroyer, because it's kinda the right size...

[8:51 PM] <WhiteBoy> rofl

[8:51 PM] <Wookieeperial> 😊

[8:52 PM] <Jaymach Ral'Tir> well the Eclipse has been named bot Eclipse-class SSD and Eclipse-class SD

[8:52 PM] <riffsyphon1024> or Freakin huge-class

[8:52 PM] <Jaymach Ral'Tir> I think the Sov has only been called the Sovereign-class SSD...though feel free to correct me if it's been called SD too

[8:52 PM] <Marck> I wonder if there's a Class-class

[8:52 PM] <Jaymach Ral'Tir> Class II Frigate 😊

[8:52 PM] <riffsyphon1024> theres a Star Destroyer-class

[8:53 PM] <Wookieeperial> There's Class 1000-class

[8:53 PM] <riffsyphon1024> hah

[8:53 PM] <Wookieeperial> "Eclipse-class and Sovereign-class Star Destroyers" in WotC's "Byss and the Deep Core" (latest ref)

[8:54 PM] <Imp> anyway, we all agree fanon has no place anyway

[8:54 PM] <Jaymach Ral'Tir>

<http://www.wizards.com/default.asp?x=starwars/article/sw20050414planet1>

[8:54 PM] <WhiteBoy> agreed

[8:54 PM] <Jaymach Ral'Tir> 2nd paragraph in the history section...and agreed also 😊

[8:54 PM] <riffsyphon1024> unless its notable fanon

[8:54 PM] <Wookieeperial> Attareference

[8:54 PM] <Wookieeperial> In which case it should be clearly marked.

[8:54 PM] <riffsyphon1024> to list on the list o fanon

[8:54 PM] <Imp> So... an issue I wanted to bring up

[8:54 PM] <WhiteBoy> are we done with terminology now?

[8:55 PM] <Imp> we can change the "wikicities" logo above the search bar

[8:55 PM] <riffsyphon1024> to what

[8:55 PM] <Imp> Search_logo.png

[8:55 PM] <Marck> Why would we want to?

[8:55 PM] <riffsyphon1024> i see no need

[8:55 PM] <WhiteBoy> Hmm..Wookieesearch?

[8:55 PM] <Imp> because the way it is now can confuse new users

[8:55 PM] <riffsyphon1024> Chewiesearch?

[8:55 PM] <Jaymach Ral'Tir> yeah I'd advise changing it

[8:56 PM] <WhiteBoy> yeah, it's not really a search of all of WikiCities
[8:56 PM] <Imp> who think they're searching Wikicities instead of Wookiepedia
[8:56 PM] <riffsyphon1024> wookiee can get overdone sometimes
[8:56 PM] <Jaymach Ral'Tir> when I came here 1st I though it'd take me to Wikicities
[8:56 PM] * Wookieeperial doubts this will change anything with any of the ongoing Wookiee wars, but anyway - move on....
[8:56 PM] * WhiteBoy has changed the subject to: Search logo
[8:56 PM] <Imp> McEwok, that issue has really been decided for a long time
[8:57 PM] <riffsyphon1024> new subject
[8:57 PM] <Wookieeperial> So is it just me that thinks these things are fanon, then?
[8:57 PM] <Imp> Fanon has no place. The trouble here is simply one of convincing people
[8:57 PM] <Wookieeperial> Riff: seconded.
[8:57 PM] <Wookieeperial> That's your job.
[8:57 PM] * Wookieeperial repeats his seconding of "New subject"
[8:58 PM] <Imp> Alright, I'll read into it after i get some sleep
[8:58 PM] <WhiteBoy> New search logo or keep it?
[8:58 PM] <riffsyphon1024> keep
[8:58 PM] <Jaymach Ral'Tir> I'd sat change it
[8:58 PM] <WhiteBoy> New
[8:58 PM] <Imp> New
[8:58 PM] <Jaymach Ral'Tir> it really did confuse me
[8:58 PM] <riffsyphon1024> well
[8:58 PM] <Jaymach Ral'Tir> at the least, change it to say Search
[8:58 PM] <Wookieeperial> I have no vote, but new logo: I thought it was for all wiki
[8:58 PM] <MarcK> I'd say change it to a simple "Search"
[8:58 PM] * WhiteBoy agrees with Jay
[8:58 PM] <Wookieeperial> Perhaps change to "Wikisearch Wookieedia"?
[8:59 PM] <riffsyphon1024> meh, too long
[8:59 PM] <Imp> http://furry.wikicities.com/wiki/WikiFur_Furry_Central
[8:59 PM] <WhiteBoy> yeah
[8:59 PM] <Imp> see that for what i'm thinking
[8:59 PM] <riffsyphon1024> interesting
[9:00 PM] <WhiteBoy> sounds like a concensus track to me
[9:00 PM] <riffsyphon1024> maybe a simple SW logo
[9:00 PM] <Imp> aye, so a consensus track should be made
[9:00 PM] <riffsyphon1024> search in aurabesh?
[9:01 PM] <Jaymach Ral'Tir> I wouldn't say Aurabesh
[9:01 PM] <MarcK> Haha
[9:01 PM] <Imp> thats an excellent idea
[9:01 PM] <riffsyphon1024> nah that would make it more confusing
[9:01 PM] <WhiteBoy> nah
[9:01 PM] <Jaymach Ral'Tir> though I can read it with difficulty, not many can 🙄
[9:01 PM] <MarcK> I like it, but it would indeed get confusing for some
[9:01 PM] <riffsyphon1024> any other languages, one we know the word for search
[9:01 PM] <Wookieeperial> "Hunt the Wookiee"?
[9:01 PM] <WhiteBoy> but I say it needs to be a word, not a picture (if that makes sense)
[9:01 PM] <riffsyphon1024> lol
[9:01 PM] <WhiteBoy> lol
[9:02 PM] <Imp> we can continue the discussion at the concensus track
[9:02 PM] <riffsyphon1024> Wookieesearch, with a picture of Chewie being searched at the airport
[9:02 PM] <WhiteBoy> k, will you start one for that Imp?
[9:02 PM] <WhiteBoy> rofl
[9:02 PM] <Imp> sure thing chief
[9:02 PM] <riffsyphon1024> gotta have some humor

[9:03 PM] <Jaymach Ral'Tir> oh! you need to set a time limit for consensus' and vfd's! but that's a different subject

[9:03 PM] <WhiteBoy> well, we've been at it for two hours now

[9:03 PM] <riffsyphon1024> "now mister bacca, could you lift your right paw?"

[9:03 PM] <Imp> Next subject: Short-, mid- and long-term goals

[9:03 PM] <WhiteBoy> why don't we call this the end for tonight?

[9:03 PM] <Imp> sure, we can continue tomorrow

[9:03 PM] <riffsyphon1024> consensus on our next meeting time?

[9:03 PM] <Marck> I'd say in two weeks

[9:03 PM] <Imp> I'd dread being secretary of this

[9:03 PM] <riffsyphon1024> lol

[9:03 PM] <WhiteBoy> rofl

[9:04 PM] <Jaymach Ral'Tir> it's easy to do 😊

[9:04 PM] <riffsyphon1024> whos willing to hold out tonight

[9:04 PM] <Jaymach Ral'Tir> copy and paste the entire conversation

[9:04 PM] <WhiteBoy> I'll try to post a quick summary with the transcript

[9:04 PM] <riffsyphon1024> Star you still there?

[9:04 PM] <Jaymach Ral'Tir> well I'll be staying in here whether or not you all stay 😊

[9:04 PM] <StarNeptune> yeah

[9:04 PM] <riffsyphon1024> ill still be here, Chad's a party popper

[9:04 PM] <riffsyphon1024> pooper*

[9:05 PM] <WhiteBoy> lol...I got two kids to get to bed 😊

[9:05 PM] <StarNeptune> I'm trying to write up a nice code of conduct

[9:05 PM] * WhiteBoy is an old fart

[9:05 PM] <Imp> Alright, I hereby close the Wookieemeting of January 7th, 06

[9:05 PM] <riffsyphon1024> right, and ive never had a date

[9:05 PM] <WhiteBoy> we'll discuss next meeting in WP:CP
